All thought or consciousness stems from your spirit as created by God. The conundrum, or mystery born into the flesh. The creates the duality between the physical mind and the spirit-soul. The Truth begins from the spirit because your spirit was created in perfection. This is why Jesus said;
"Be ye therefore perfect even which your Father in heaven is perfect."

Modern day Western world religion does not teach thinking from the soul-spirit but from the mind of man and not the mind of God from which you were created. This is why Jesus said;

"Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind."

Your heart is the brain of love. What is your IQ? Does your mind-ego determine how much love is to be released? Does your spirit-soul rule or mind-ego?

"Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed,?"

When the flesh can understand right thinking, the right thinking is the truth, the truth from your soul-spirit, and the truth can if it wishes prevails over the mind. Furthermore, from what the flesh senses "see" and the ego judges overpowering the spirit. That is why Romans states;

"And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God."

If your transformed, the renewing of your mind, one can assume that being conformed to the world would be conformed from the mind. What is the world teaching you by way of religious and worldly teachings and traditions? Are you seeking after knowledge and understanding?

"If thou seekest her as silver, and searchest for her as hid treasures;?"
"Then shalt thou understand the fear of the LORD, and find the knowledge of God."
